

GENERAL MANAGER

Fixed Term Contract (3 years)

The newly established Victor Harbor Horse Tram Authority is seeking a suitably qualified General Manager to oversee the management of the Horse Tram service.

The General Manager role is a full-time position and the successful applicant will be required to:

- Manage the administration of the Authority including delivery of strategic objectives, stakeholder management and reporting to the Authority's Board on operations.
- Assist with the implementation and compliance of all relevant legislation including the Authority's Charter, Budget, Business Plan, policies and procedures.
- Monitor the care, maintenance and well being of the eight horses currently in the team.
- Manage all staff and volunteers including tram timetables and overall management of operations.
- Manage the maintenance of horse trams, horse barn, track and capital assets.
- Establish policies and procedures relating to work, health and safety.

Applicants would preferably have skills in either marketing and tourism; commercial business and financial management; people management and communication; horse management and/or husbandry.

An objective of the Authority is to "provide the very best service in the field of tourism while providing the best environment and workplace for horses, staff and visitors".
